Recommendation letter

To Whom It May Concern

It is with great pleasure that I recommend **AMMAR HAZEM MOJAHED YAHYA** (闵正阳) for the Ph.D. scholarship. I have had the distinct pleasure of being 闵正阳 professor in "History of Chinese and Foreign Political Ideology" and have closely followed his academic progress and intellectual growth during his time at school of Politics and International Relation, Lanzhou University he is expecting to graduate in June 2024.

AMMAR has continually proven himself to be an exceptional student and researcher, demonstrating a strong passion for International Politics. Throughout **AMMAR**'s academic journey, He has consistently exhibited a strong aptitude for independent research and critical thinking, as evidenced by his academic records. he has demonstrated strong leadership qualities, often taking the initiative to guide and support his peers in academic pursuits. 闵正阳 ability to communicate complex ideas and theories is a testament to his intellectual capabilities and potential as a future researcher and scholar.

Based on his academic performance, intellectual acumen, and passion for International Politics (Political Development), I am confident that **AMMAR** has the necessary qualities to excel in a Ph.D. program. His dedication to research and his potential for impactful contributions to the field make him an ideal candidate for the Ph.D. scholarship. I believe that **AMMAR** will not only thrive in a Ph.D. program but also contribute significantly to the academic community in your university. Should you need any further information, please do not hesitate to contact me.
