To whom it may concern :

It is with pleasure that I recommend Ghassan Mohammed Ali Al-Maitami for the graduate course at your university.

I have known Ghassan for three years in my work as a professor with the Department of Computer Science at Lanzhou University.

In this context, I can vouch for his consistently brilliant academic performance and dedicated attitude to his studies, and I can confidently say that he will be a great addition to your college.

He has been placed at the top of top-performing students. He is intelligent, inquisitive, and seeks to gain in-depth knowledge. With his determination and hard work, I have no doubt that he will succeed in all his endeavors.

He has proved his motivation and displays intelligence and an analytical aptitude fit for post-graduate study and research.

In my view, Ghassan will make an outstanding post-graduate student. I recommend him in the strongest terms for admission to your college.
